PROJECT ESES

EDUCATE a Student - EDUCATE the Society

The main instrument for a country's prosperity and welfare is quality education. Education determines the course as well as pace of our nation's progress. A recent survey by National Statistical Office (NSO) has revealed that around 12.6% of students drop out of schools in India, 19.8% discontinued education at the secondary level, while 17.5% dropped out at the upper primary level. Economic conditions, without a surprise, has been the top factor among many for a student to dropout at any point.

The Education wing of Sri Sathya Sai Trust For Universal Welfare is in the process of building a free-of-cost residential education campus Sri Sathya Sai Divya Bharati for needy students near Vizianagaram.

ABHINANDANA - Gratitude & Goals

Youth Empowerment

Out of His immense love for the students and Volunteers who attended and served all those who is joining in all our service projects, our Swami chose this holy Sunday to bring His chosen ones together for conveying gratitude and appreciating their Seva while the sweet memories of their trip to the Valley are still afresh in their minds. Their devotion to their Master; dedication to the cause and determination to follow their Master touched new heights every time they were blessed with an opportunity.

The venue for the Abhinandana program chosen this time is a picturesque lush green and holy pilgrimage center not very far from His Divine Abode - another confluence of God Nature and Man! The day chosen also marked the celebrations of Mother Kottamma installing herself in the Village; Shakti Maa - the manifested form of the supreme energy that creates sustains and involutes everything created into itself. The temple resonated with Bhajans and Jaikars for their Master sung by one and all!

The Lord also blessed Sri Ramalaya temple at the place where He consecrated and energised the idols and offered the Poornahuti into the Homam organised by the vedic scholars.

In His Divine Discourse, Swami appreciated the efforts put forth by all the Volunteers. Blessing them that all their selfless loving services to fellow beings will indeed turn their tears into rose water and their words will be experienced as nectarine. He also urged upon them to realise that every act of Selfless Love rendered by them lovingly will contribute to the Universal Welfare. Expressing His satisfaction at over the ways the whole proceedings were conducted in a spirit of Unity by all the Volunteers He impressed upon them to inculcate virtues that build up a robust character in order to become a worthy instrument in the Hands of Mother Sai!
